THE FOOTPATH OF PEACE

Some people have a lot of anger inside them with the result that they lack peace of mind and serenity of soul. But others have an inner peace, and what a difference it makes to their lives.

Jesus comes to bring us life and to liberate us from ourselves. He calms our fears and heals our anguish and hatreds, thus enabling us to look at the world with a still heart and an open soul.

So be glad of life, because it give you a chance to love, to work, to play, and to look up at the stars.

To despise nothing in the world except what is false and mean. To fear nothing except what is cowardly.

To be guided by what you admire and love, rather than by what you hate.

To envy nothing that is your neighbour's except his kindness of heart and gentleness of manner.

To think seldom of your enemies, often of your friends, and everyday of Christ.

And to spend as much time as you can, with body and with spirit, in God's presence.

These are little signposts on the footpath of peace.
