HOLY FAMILY CHURCH

Sun 5th August 2012 Vol. 29 No 31

PRAYER FOR TOURISTS

Heavenly Father look down on us, your humble tourist servants who are doomed to travel this earth taking photographs, mailing postcards and buying souvenirs.

Protect us for Airport strikes, traffic jams and 'upset tummies'. May the Ryan air luggage scales be set wrong to give us extra allowance.

Guide us to inexpensive restaurants where the food is good and the wine is included in the price.

Give us the wisdom to tip correctly and forgive us for under tipping out of ignorance or over tipping our of fear.

Give us the strength we need to visit museums, old churches and castles and if perchance we skip one historical monument to take a nap after lunch, have mercy on us as our flesh is weak.

When we get lost or cannot find our way bless us to meet somebody who speaks our language and can give clear directions.

<u>For Husbands only:</u> Keep our wives from shopping sprees and protect them from 'bargains' that they neither need nor we can afford.

<u>For Wives only:</u> Dear God, keep our husbands from looking at younger woman with model-like figures and comparing them with ours.

Let there be silence that we may hear your gentle whisper.

Keep our journeys safe and may we return home refreshed.

Amen
